Huntsville City Schools employees **with a badge get in free** (no guests).

Alabama High School Athletic Association members **with a card get in free & get one guest in free.**

Sparkman Soccer coaches get in **free**.

Setup:

Tables and money box(s) are located in the soccer shed. Ronda or a designated helper will have the shed keys and the gate money bag(s) for the game(s). The gate money will be counted & put in the money box(s) by Ronda/helper.

At the stadium we set up a small table in the open area in front of the fence, at the end zone.

The table will be in the shed— small table (large table if there are games on the soccer field on the same day).

Please direct spectators to sit on home side—no one on visitor side—

Multiple game scenarios:

For games at the soccer field (SF on the schedule) the small table will be set up either at the end of the field at the gate or beside the stands and to the right.

When we have games on both fields at on the same night we will stamp the spectators to prove payment, this way they can go back and forth between fields without paying twice. If there is no stamp, they will pay twice!!!

Shutdown:

We shut the Gate at half time of the **LAST** game at a field.

When shutting down place tables etc in soccer shed. Bring bank bag(s) to Ronda Reeves. If Ronda is not present please give to a Soccer Board Member. Ronda/helper should inform you which board member to give the money to.
